SECOND SUPPLEMENTAL INFORMATION
DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.97(b)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In order to comply with discretionary regulations 37 CFR §§1.97 and 1.98, attached hereto is Form PTO-1449 and copies¹ of the documents listed thereon. These documents contain information that the Examiner may consider to be important in deciding whether to allow the present application to issue as a patent.

U.S. Documents

1. RE 35,687, issued on December 9, 1997
2. 4,044,769, issued on August 30, 1977
3. 4,560,381, issued on December 24, 1985
4. 4,589,876, issued on May 20, 1986

¹To the extent that a document is listed and no copy of same is attached, then such document is not at the present time available to the undersigned or is available in the file of a parent application. If a listed document is not in the English language and an English translation is readily available, such translation is also attached; if translation is not attached it is not readily available to the undersigned. If a foreign language patent document is cited, and an English language equivalent is known to the undersigned, then such equivalent patent is also cited on the attached form along with the corresponding foreign language patent and a connecting arrow indicated therebetween; if no such English language equivalent is cited, then none is known to the undersigned.

5. 4,698,847, issued on October, 1987
6. 4,880,424, issued on November 14, 1989
7. 5,098,419, issued on March 24, 1992
8. 5,149,336, issued on September 22, 1992
9. 5,685,874, issued on November 11, 1997
10. 5,758,367, issued on June, 1998
11. 5,800,245, issued on September, 1998
12. 5,888,118, issued on March, 1999
13. 5,921,967, issued on July 13, 1999
14. 6,060,638, issued on May, 2000
15. 6,365,794, issued on April 2, 2002
16. 6,502,250, issued on January, 2003

Foreign Documents

17. 1 356 465 (England), published June 12, 1974
18. 682288 (Switzerland), published August 31, 1993
19. DE 19704603 (Germany), published January 8, 1998
20. EP 0 327 823 (EPO), published August 19, 1992
21. WO 96/36248 (PCT), published November 21, 1996
22. WO 97/30671 (PCT), published August 28, 1998
23. WO 97/21411 (PCT), published June 19, 1997

In accordance with MPEP Sections 609 and 707.05(b), it is requested that each document cited (including any cited in applicant's specification which is not repeated on the attached Form PTO-1449) be given thorough consideration and that it be cited of record in the prosecution history of the present application by initialing on Form PTO-1449. Such initialing is requested even if the Examiner does not consider a cited document to be sufficiently pertinent to use in a rejection, or otherwise does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. This is requested so that each document becomes listed on the face of the patent issuing on the present application.

The present Disclosure Statement is being submitted in compliance with 37 CFR 1.56 insofar as an Examiner might consider any of the cited documents important in deciding whether to allow the application to issue as a patent, but the citation of each document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended

that the cited documents represent the results of a complete search, and it is anticipated that the Examiner, in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104(a) and 1.106(b) and, in the course of each search, will review for relevance every document cited on the attached form even if not initialed.

Early and favorable consideration is earnestly solicited.

Dated: March 29, 2005

Respectfully submitted,

Emily Miao
